

I've voted for our attorney general Steve Carter in the last two election's, mainly because his stance against annoying and harrassing telemarketer's. Since then the newer Federal No Call List came out alot of telemarketer's began calling again stating that they didn't have to follow the indiana attorney general's no call list. I oppose the Consumer Bankers Association for there decision to try and weaken our state law that I voted for and I hope that you will oppose it on behalf of all the other Indiana citizens that are tired of being harrassed by sales people trying to sell product's and services that we don't want and can't afford.
